

MAR.06.2024

Dear Representative,

Industrial Cooperation Days in Defense and Aerospace (ICDDA) 2024 supported by the presidency of the Republic of Türkiye, Defense Industry Agency and organized by OSSA Defense & Aviation Cluster (OSSA) and VIMEET -the world leader in targeted lead generation, bringing to the community more than 700,000 leads every year- with the contribution of SUPREME TECHNOCRAFTS AVIATION SERVICES and TEM TOUR will take place in ATO Congressium Exhibition Center, Ankara between April 17-19, 2024.

ICDDA is an outstanding and supply chain oriented business event for contractors and suppliers to meet through **pre-planned business to business meetings and discuss partnership or business opportunities about their specialized capabilities and services for civil and defense applications.**

At ICDDA 2024, a series of panels will be held on such topics as civil aviation; land, naval and air systems; homeland security technologies; sustainability and supply chain development, moderated by experienced names in their respective fields of expertise.

Over 2,500 participants are expected to take part, including military, defense and commercial attachés serving in Türkiye, public officials, end users, and company representatives from both Türkiye and abroad. During the panel discussions, sectoral innovations, as well as the problems faced by the sector and the solutions, will be discussed.

In the 5th edition held on 12-14 October 2022, 7500 B2B meetings were held with the participation of 90 companies from 60 countries. In addition to the participation of leading companies in the sector from abroad and Türkiye, government agencies, military authorities and hundreds of talented small and medium-sized enterprises also participated in the event.

We will be happy to see distinguish companies of your country among us to attend conferences and especially to hold B2B meetings at this event, which is organized to bring together Turkish and International Industrialists.

Organization committee has possibility to cover flight ticket, transfer service and accommodation expenses of 2 officials from related company's purchasing/supply chain/business development units or director/manager level participation in order to join B2B meetings to involve Turkish defense and aerospace market, to take part in the supply chain and to realize joint projects and collaborations with Turkish companies.

Invited participants will hold their B2B meetings in a VIP area or at the exhibitors' booths according to their choices.

For registration and any questions, please contact OSSA Coordinator Semih Yiğit via semih.yigit@ostim.org.tr or +90 312 385 50 90 (Ext. 1327) until March 18, 2024.

Best Regards,

İbrahim YARSAN
OSSA Chairman of The Board
